kept. These were for the use of the clerks in the Treasury in case of an invasion. However, the war was over when I assumed my position in the Treasury kept. These were for the use of the Department. You know Secretary Chase of t

Freasury Department was very muc opposed to woman employes in the go ernment service. Francis E. Spinne then treasurer of the United States, af er much persuasion on his part final secured the permission of Secretary Chato give the women a trial as governmen clerks. It had practically become a n essity for the government to empl women. All of the men and boys h gone to war, and the work had to done, so the only course open seemed be to give the women a chance. M Spinner told Secretary Chase that if, al er a trial, the women proved satisfactor, he would employ more. Then, of cours there wasn't much gold and silver, an they had to have more of the fraction urrency, and they used to have to c the money by hand. Mr. Spinner als pointed out that women were more skill ful with the scissors than the men, as this was another argument why the should be given a chance. The redemption division was established at that tim on account of the paper money. 'Finally, after a year's trial, Treasure dinner went to Secretary Chase and to him how satisfactory the work of t women had been, and said that he hadn

### Roberts Has Attended Many.

"I have accompanied many people to the gallows," said Rev. Mr. Roberts last night, "and I hope I will not have to do so again, although I would not refuse should it develop that no other person would assume the duty. I have been upon the scaffold with forty-two condemned men." he added, "and have done missionary work with fully 200. Discussing the prisoner. Green, the missionary said he had conversed with him a number of times. Green, he says, declared he was intoxicated Christmas night, saying he had purchased a pint of liquor for a quarter escent lamps are lighted fifteen minutes and had consumed it before he became As has been the case with the other condemned men. Green has been given daily exercise and has been permitted to attend religious services in the rotunda each Sunday. Today will be Green's last appearance at those serv-

### Regularly at the Service.

Tony Milano and Andrew Gonzales eve been regular attendants at the Sunday services and they eat at the Midnight, 72; 2 a.m., 71; 4 a.m., 70; long table in the corridor with the 6 a.m., 69; 8 a.m., 75; 10 a.m., 83; 12 other prisoners. Milano has never given prison officials any trouble, but Gonzales has been troublesome most of the time he has been there.

The colored missionary said he was firmly convinced that Gonzales is insane, notwithstanding the courts have declared him sane. The condemned man's mother died in an insane hospital in Charleston, S. C., the missionary says, and he has a sister who is an inmate of the hospital at this time. Jail officials believe Gonzales is capable of appreciating his surroundings and fully understands that his life is in jeopardy

Mattie Lomax, colored, whose death or the scaffold was prevented through President Taft's clemency, is still in the District Jail. She is referred to by the missionary as a "living corpse." She has tuberculosis and her mind does not seem right. Mattle takes no interest in prison affairs and does not discuss the approaching hangings. Warden Zinkham is anxious that the federal government should find some other place of ontinement for her.

# STREET RAILWAY MEN PREPARING FOR OUTING

Relief Association Discusses Plans for Big Excursion to Chesapeake Beach.

Elaborate preparations are being made or the annual outing of the Washington Railway and Electric Relicf Association o be held at Chesapeake Beach Thursday, June 26. Last night the committee on arrangements held a meeting and spent considerable time discussing plans enjoyable one. A fine assortment of prizes is being gathered together for the winners of the athletic events to be held

at the outing. The Washington Railway and Electric Relief Association is one of the largest beneficial bodies of street railway men in the United States. It looks after the needs of its members in both sickness and death; provides club features and other utilities for the betterment and advancement of its members in social and edu-cational lines.

Committeemen in Charge. The following committeemen have the arrangements for the excursion

charge: F. J. Mersheimer, chairman; W. N. De Neale, vice chairman; J. T. Moffett, treasurer; J. A. Kalser, secretary; Richard Rose, sergeant-at-arms; W. S. Balenger, chairman transportation and order committee; V. A. Sisler, chairman dancing committee; W. N. De Neale, chairman amusement committee; S. I. Folsom, Ballenger, W. H. Burgess, J. H. Brown, C. T. Butcher, G. W. Burdette, C. E.
